PROGRAM OVERVIEW

This **Certified Compliance Professional in Cryptocurrency Financial Crimes (CCPC™)** is designed to help you to **harness your organization's compliance framework** and safeguard them against complex cryptocrimes in the emerging cryptocurrency and blockchain environment.

You will gain an overview of the cryptocurrency world, including **staying updated with the latest laws and surrounding legislation in cryptocurrency** and what it means for compliance professionals. This program will also help you to **identify and evaluate risks of cryptocurrencies so that you can mitigate financial crimes** involving money laundering, tax avoidance/evasion, corruption, fraud, breaching sanction law, terrorist financing and more. In addition, you will also learn effective techniques to do **KYC client investigations on individuals or companies that invest or hold digital currency assets** and how to investigate a blockchain transactions to prevent any suspicious transactions. By the end of the program, you are able to develop a solid understanding of how to **deal with cryptocurrency policies and procedures** at your organization.

By the end of the program and upon passing the Chartered exam, you will have earned the **Certified Compliance Professional in Cryptocurrency Financial Crimes (CCPC™)** designation which you can use to demonstrate your professional credentials and track record in managing your cryptocurrency integrated compliance framework to combat cryptocurrency financial crimes.

Globally demanded and recognized, this designation is an industry-recognized trademarked charter developed by the **Chartered Institute of Professional Certifications and has lifelong validity**. It's also fully accredited by CPD, with 160,000 membership organizations worldwide.

YOUR FACULTY DIRECTOR

PETER ENGERING

Cryptocurrency Expert and Crypto Board Member in Netherland's Second Largest Bank

Peter Engering is a compliance expert and one of the most sought-after voices in the cryptocurrency space. He is the co-founder of Compliance Champs, a consulting firm specializing in digital currency compliance. He has written the crypto policy for one of the largest banks in the Netherlands and received wide media coverage due to its innovative stance against commercial companies purchasing cryptocurrencies with their bank accounts.

He is currently serving as a Crypto Board Member at one of Netherlands' second largest banks, providing ongoing advice and education to financial institutions and crypto exchanges that are interested in digital currencies like digital assets compliance and crypto regulation.

Peter is also a Certified Compliance Professional (CCP) who has integrated his extensive expertise in compliance remediation and risk management with his passion for cryptocurrency development.
