Dear {Manager},

I would like to enroll to the 'EU Dangerous Goods Regulations and Compliance: Transportation, Handling, Packaging, Storage and Compliance Requirements' program to further strengthen my expertise and enhance my knowledge in managing the European Union's complex regulatory framework governing dangerous goods operations. I seek your approval to attend this program, as it will deepen my understanding of EU and international multimodal transport regulations, enabling me to apply best practices in dangerous goods safety, compliance, and operational risk management across our organization.

Led by Toine van Moorsel, a highly experienced Dangerous Goods Compliance and HSE Regulations expert, this program will equip me with practical expertise to manage the full dangerous goods lifecycle—from classification and packaging to labelling, documentation, transportation, storage, and regulatory compliance. These capabilities will support more accurate decision-making, strengthen our compliance systems, reduce operational risk, and enhance audit readiness and safety performance. Some of the key skills this program will bring include:

- Dangerous Goods Classification and UN Hazard Identification
- UN-Approved Packaging Selection and Compliance
- Labelling, Marking, and Documentation (DGD & Multimodal)
- ADR, RID, IMDG, and ICAO/IATA Compliance
- DGSA Responsibilities and Supply Chain Accountability
- Handling, Load Securing, and Hazard Segregation
- EU Storage and Warehousing Compliance
- Regulatory Audit Readiness and Risk Assessment (HAZOP/FMEA)

I believe these skillsets will be highly valuable, and you can be assured that after attending this program, I will be better equipped to strengthen our organization's compliance framework, improve safety standards, and ensure efficient and legally compliant dangerous goods operations. I am confident that the knowledge gained will enhance our operational performance and reinforce stakeholder trust.

I look forward to your approval to attend this virtual training program.

Sincerely,
